

Couples Mingle Game

How to play: First, you and your spouse must agree on the answers to the questions. Then, be the first couple to get the most questions signed by other couples that have the same answers as you.
Both the husband and wife need to sign your sheet.

Question	Husband sign here	Wife sign here
Love at first sight or fell in love?		
# of times you've moved since you've been married.		
Temple where you were married.		
General location of honeymoon
