

Mother's Day Gift

Personalized Picture Frames

Items needed:

1. Plain Wood frames (4x6)
2. Things to decorate frames with (shells, ribbon, flowers, beads, etc) and glue
3. A 4x6 picture of each girl in Sunday clothes (either after YW on Sunday or during the week, maybe at the temple or in front of church)

Each girl writes a letter to her mother on a 3x5 piece of paper (one side only). Copy letters onto white vellum. Cut each letter so it is 4x6. (There will be space around the edges - probably only copy 2 letters per sheet of vellum)

Put the letter on vellum over the picture and put in frame. Lovely! (And relatively inexpensive)

You can add to the present by having a Mother-Daughter activity before Mother's Day and present these picture frames to the mom's there.
